

This is a communication test

This is an interactive document. You should be able to see video and hear audio.
Ensure that you have a means of hearing audio such as headphones or desktop speakers.

Please follow the instructions carefully:

Each page contains a media file. Please attempt to play each clip and note whether you are able to view and hear the file correctly. Once you have viewed all four pages and their content, you are kindly requested to complete the attached form and press the *SUBMIT* button.

This is a Windows media file.

You may be asked if the file is from a trusted source.

Select yes and use the player buttons to play video.

Make a note if you are able to view and hear the file correctly.

This is a Flash file.

The Flash player has its own player controls.

Make a note if you are able to view and hear the file correctly.

This is an audio file.

Use the player buttons to hear the file.

Make a note if you are able to hear the file correctly.

Depending on which version of Acrobat you are using you will see a paperclip icon at the bottom left hand side of the window.

This clip represents an attachment. Click on the paperclip icon and then open the attachment.

Please take some time to fill in the form and then press the submit button. This will send information to IT.
